

Lazio Biomedical technology transfer forum
19th of May 2006
Fondazione Parco Biomedico San Raffaele
Via di Castel Romano 100, 00128 Roma

Programme

Organised by:

10:00 to 10:20 - Marco Baccanti, Director General, Fondazione Parco Biomedico San Raffaele, Rome and Science Park San Raffaele, Milan – basics of IP

10:20 to 10:40 – Dr. Gianfranco Caprioli, MIAP, Gli strumenti e le azioni del Ministero alle Attività Produttive a favore della competitività dell'industria biotech Italiana

10:40 to 11:00 – Olga Capasso, De Simone & Partners, From lab bench to a patent application (Dal banco del laboratorio alla domanda di brevetto)

11.00-11.40 – Ida Calogero, Barzanò & Zanardo Roma- Key issues on patentability of screening methods and stem cells

11:40 to 12:00 - Olga Capasso, De Simone & Partners, Honors and duties of a patent (Oneri e onori di un brevetto)

12:00 to 12:30 - Roberta Gioia, CFO, Lay Line Genomics From patent to product: LLG, a real case of tech transfer

12:30 to 13:00 - Assessore Raffaele Ranucci, Intellectual property and innovation in the Lazio region: What can be done, what is being done

13:00 to 14:00 – buffet lunch

14: 00 to 14:30 - J. Dando, Business Director, Fondazione Parco Biomedico San Raffaele Introduction and the present state of play of biomedical development: From concept to product in the global life science sector

Know how and technology pitches:

14:30- 14:45 – Isabella Saggio (protein production and RNA interference)

14:45-15:00 – Maria Guttinger (assessment of immunological parameters in murine models)

15:00-15:15 – Antonella Noya di Lannoy, CRISC (clinical trial management)

15:15-15:30 – LLG (Neurodegenerative diseases)

15:30 -15:45 – Dr.ssa Simona Greco (Biosensoristic platform in biology and environment: Technobiochip's experience)

15:45-16:00 – Paolo Primiero, Farminerva (nuove indicazioni terapeutiche di farmaci)

16:00-16:15 –Vittorio Rosato, Ylichron Srl (High Performance Computing in Biotechnology)

16:15- close of day
